

**POLLUTION LIABILITY INSURANCE
APPLICATION FOR A CLAIMS-MADE POLICY**

APPLICATION INSTRUCTIONS

1. Complete the application using typewriter or black ink. Include one Section II insert for each site at which you have UST's. If additional section II inserts are needed, photocopies are acceptable. Pencil is not acceptable. Illegible applications will not be accepted.
2. Attach copies of State registration forms for all tanks, both underground and aboveground. Attach copies of any tightness test or other inspection reports which have been made on tanks for which application for insurance is being made. The Company reserves the right to require, at the owner's expense, testing on any tank deemed necessary. The Company also requires a tightness test on all new installations.
3. The application must be fully completed, signed by owner, partner, or officer of the applicant, and dated in order to obtain an insurance proposal. All questions must be answered. If "none" or "not applicable", so indicate.
